SPEAKER

SPEAKER

For the July meeting our fellow NCWC member Rich Kerrell will demonstrate some of his box making techniques and display examples of his work. Rich works for Carvin, a company that manufactures guitars and has brought the club very nice Ebony scraps and wood for the vendor plaques. We are excited to see what Rich has created over the last few months. His “round box” was surely a hit on the show & gloat a while back.

GROUP PURCHASE!!!!!!!!!!!!

We are still trying to put this purchase together. LAST CHANCE!!!

Fred Gross will be handling a group purchase of Timber Wolf Band Saw Blades. If we order 30 or more, we get a 30% discount (substantial). If you wish to order and will not make the meeting, contact Fred at 760-505-3553. Peruse the Timber Wolf web site at www.suffolkmachinery.com for blades and prices. They are also sending Fred some catalogues which he will have at the meeting.

We Currently Have 53 Members

SHOW & GLOAT

Do you have a project to show off? How about a favorite jig, a special technique or time saving hint to make our woodworking easier? Attendees should bring in projects and present them with a short 2-minute talk. More time can be devoted to questions about your projects in the Q & A session held at the end of each meeting. Thanks for sharing your ideas.

NCWC MEMBERSHIP !!!

Please note that we need about 60 members to survive. If you have not paid your 2003 dues we would appreciate your helping us out by doing so. Thanks.

Club dues are \$20.00 per year. Dues will be collected at each meeting or you can mail them to Ray Brooks at the Club Post Office Box.

LAST MONTH:

Mitch Rennix, a technical specialist with D&D Tool and Supply was our speaker for June. We learned just how much of an expert Mitch is on set-up, adjustment, blades, and operation of a band saw. As promised. Mitch made our attendance at his presentation worth while with his raffle items. Thanks again Mitch.

Mitch Talcove, owner of Exotic Hardwoods of Tropical Latin America donated a precious piece of Cocobola for us to auction at the last meeting. Thanks to Mitch for his donation.

MARK YOUR CALENDAR

AWFS Fair in Anaheim July 31 through August 3, 2003. This is the BIG show. This show is mostly for manufacturers but the equipment that is shown will knock your socks off.

PRESIDENTS MESSAGE

Well, Mitch Rennick from D&D Tool delivered as promised! A most informative and helpful session on getting the most from your bandsaw. Mitch's tips were some I had never heard before--and how to fold and unfold a bandsaw blade was a highlight! I tried his method and it works!! Thanks Mitch for giving us a first class presentation on a tool I know most of use a great deal in our shop--and for raffling off the hats and shirts!

A special thanks to Bob Howard for sharing his fantastic veneer work and Ray Brooks and Bruce Baskins for those beautiful jewelry boxes! The skills and talents of our members continues to amaze me!!

It's that time of year again--ELECTION OF OFFICERS for our Club!! Per our by-laws, the opening of nominations for President, Vice President (also Programs Chair), Secretary and Treasurer are to be announced in the July Newsletter (this is the announcement!) and again at our meeting on July 17th, at which time final nominations will be also be made. The slate will then be voted on at our August meeting. We will need new nominees for Secretary and Treasurer as both Roni Elsberry and Ray Brooks have reached term limits (2 years). So PLEASE step forward and volunteer to be an officer. Ken Haines is Chairman of our nominating committee so please email him at hainesk@efds.w.navy.mil or call him at home 760-432-0563 and nominate someone or put your name in the hat! We have a great Club but we need leaders and doers to keep it moving ahead!!

We will have more details on requirements for the display in the Jocelyn Center Lobby at our July meeting. Although space is limited, I would like to see as great a display of our members woodworking talents as possible. It's a great opportunity to "show our stuff"!!

Sooo...look forward to a great session at our July 17th meeting when Rich Kerrell will share his skills in box making!

I'll be out of town until just before our next meeting (doing some serious fishing!), so in the meantime, Good Woodworking to All!!

Tom Lightner, President

PROGRAMS IN THE COMING MONTHS:

In August, the august Steve Alwardt (NCWC Member) has graciously agreed to present a program on French Marquetry.

September will bring all members to Steg Stegmuller's fine new shop. He will give us the grand shop tour and discuss shop dust control and collection. The meeting date is Saturday 9/20.

For the last meeting of the year we will visit Butch Baskins new shop. This will be a day of shop touring (with a short business meeting) and a barbeque lunch. Bring your spouses, kids, significant others, and friends, neighbors. Everyone is invited. There will be a small charge for the BBQ (to be determined later). Bring your own lawn chair(s). The meeting will be on Saturday October 11. We will need a head count by the September meeting for food planning purposes.

Butch's hand Surgeon promises to give a presentation on the reasons not to meet him by accident next year.

Member News:

I (Ray Brooks) won Best of Show and Best of Class for one of my boxes at the County Fair. I will bring the box to the meeting. Several other members won Blue Ribbons.

We would like everyone to share their fair projects with the rest of the membership. Please bring yours to the meeting too. There are many other beautiful projects to see. Thanks.

VENDOR NEWS AND INFORMATION

None this month.

MENTOR PROGRAM

Members interested in assisting other members can participate in the Mentor Program. It is as easy as sending your name, skills, and E-mail address to Ray Brooks. Ray will place your name, skills and e-mail address on a portion of the web page devoted to the Mentor Program. Remember, your name will be “on the web” so only your E-mail address will be made available. Anyone wishing to contact you will have to E-mail with their contact information.

OTHER TIDBITS:

Oh fudge!! Nobody sent me any goodies.

Try this on for size. I would like to make woodworking or related articles, written by our members, available on the web site. Can you write? Do you have a special tidbit that you would willingly pass along to the membership?

Please contact me with your input. I will assist in editing if you provide a starting text. Pictures work **too**.

Refreshments:

Thanks to Butch Baskins for providing drinks and those marvelous goodies each meeting. Please do not forget to donate your change to his coffee can. Butch and his wife donate their time and effort to make the goodies and provide all this at their own expense. Thanks again to our fellow member for his efforts.

Programs:

Butch Baskins, VP and Programs Committee Chair, is always looking for ideas from the membership as to prospective speakers, demonstrations, tours etc. If you have speaker ideas or topic desires, please see Butch at the meeting or contact him via e-mail.

The Next Board Meeting:

The next board meeting will be held on Thursday the 7th of August at Tom Lightner's home. Members are welcome to attend any board meeting. Call any Board Member for directions.
