## LAST MONTH:

I concede. Steg's shop is definitely cleaner than mine. Those who missed the shop tour and dust collection discussion just don't get to ooh and aaah about Steg and Shirley's "clean room". Thanks both of you for sharing. We are envious.

# ***MARK YOUR CALENDAR***

**No meetings in November or December.**

## **PRESIDENTS MESSAGE**

SUPREME SHOP ENVY!! That's what I experienced on visiting Steg Stegmuller's shop for our meeting on September 20<sup>th</sup>!! We had a good turn out for our first Saturday Shop Tour! Not only is Steg's shop big and well designed but he has done some really nifty things to enhance dust collection. Many of his innovations work with either a central dust collection system or a shop vacuum so shop size is not important. As Steg continually emphasized, the important thing is to practice good dust collection in our shops all the time!! And a special note of thanks to Shirley for making all the delicious goodies and granting us a tour of her quilting shop! Thanks, Steg and Shirley for a really super day!! (If you missed the meeting and would like to learn more about dust collection, give Steg a call).

I was delighted that Carol Reed has offered to video tape selected presentations and shop tours for future use by our members. This will be a "pilot project" to determine the best way to support and administer such a program. Stay tuned!!

As you know, our last meeting for the year will be at Butch Baskin's Shop on Saturday, October 11<sup>th</sup>, starting at 10:00 AM. After a short meeting, Butch will give us a tour of his brand new shop followed by a great picnic lunch for all members and their families. Remember to bring a lawn chair (s) with you. Look for a map and directions elsewhere in this Newsletter. And the picnic is being paid for by your Club!! Such a deal!!

For those of you who did not complete the member survey at our last meeting, please do so on October 11<sup>th</sup>. Your input is vital for Butch to plan our program for 2004!

We're off to a good start with Membership Renewals for next year. Roni Elsberry, Membership Chair, will be selling new membership cards at our next meeting so bring your cash or check (no credit cards!) and be all set through the end of 2004!! And don't forget our "Every Member Get A Member" campaign to expand our membership base! Giving a friend or relative a membership in our Club would be a nice, early Christmas gift!!

Look forward to seeing all of you on Saturday, October 11<sup>th</sup> !! Meantime--

Good Woodworking to All!!

Tom Lightner  
President

### **PROGRAMS IN THE COMING MONTHS:**

Programs for next year are "cabinet maker to the stars", metal working in the woodshop, power tool maintenance and repair – a night at Tool Mart, Jigs and fixture night . Butch's hand Surgeon promises to give a presentation on the reasons not to meet him by accident next year.

We also have a commitment from Jeff Richardson, the President of Compliant Spray Systems (water base finishes) in San Clemente to speak to the club in January. The finishes produced by Compliant are Ray Brooks' new favorite and Jeff will tell us all about them. He tells me there will be some goodies for some lucky members as well.

## VENDOR NEWS AND INFORMATION

### MENTOR PROGRAM

Members interested in assisting other members can participate in the Mentor Program. It is as easy as sending your name, skills, and E-mail address to Ray Brooks. Ray will place your name, skills and e-mail address on a portion of the web page devoted to the Mentor Program. Remember, your name will be “on the web” so only your E-mail address will be made available. Anyone wishing to contact you will have to E-mail with their contact information.

### OTHER TIDBITS:

Oh fudge!! Nobody sent me any goodies.

Try this on for size. I would like to make woodworking or related articles, written by our members, available on the web site. Can you write? Do you have a special tidbit that you would willingly pass along to the membership?

Please contact me with your input. I will assist in editing if you provide a starting text. Pictures work **too**.

### Refreshments:

Thanks to Butch Baskins for providing drinks and those marvelous goodies each meeting. Please do not forget to donate your change to his coffee can. Butch and his wife donate their time and effort to make the goodies and provide all this at their own expense. Thanks again to our fellow member for his efforts.

### Programs:
