SPEAKER

SPEAKER

This month we are pleased to present Jeff and Lois Richardson of Compliant Spray Systems of San Clemente. They will show how easy HVLP spray equipment is to use and how the water based Enduro finishes they market are applied. There will be drawings for great goodies (provided by Compliant Spray Systems) throughout the presentation. Jeff and Lois spoke at one session of Ray Brooks Box Class at Palomar this last fall. Believe me you will enjoy this program.

We Currently Have 29 Members

SHOW & GLOAT

Do you have a project to show off? How about a favorite jig, a special technique or time saving hint to make our woodworking easier? Attendees should bring in projects and present them with a short 2-minute talk. More time can be devoted to questions about your projects in the Q & A session held at the end of each meeting. Thanks for sharing your ideas.

NCWC MEMBERSHIP !!!

If you have not paid your 2004 dues we would appreciate you helping us out by doing so. Thanks.

Club dues are \$20.00 per year. Dues will be collected at each meeting or you can mail them to Ray Brooks at the Club Post Office Box.

MARK YOUR CALENDAR

*****The following from Laura Pitney TOOLSWAP/USA:*****

Thursday January 15, 2004 the PAST Winter Old Tool Show parking lot sale is from 6am till noon, If you want to sell it is best to stake out a space the night before. Otherwise come early because there are still spaces available.

The address of the Four Points Sheraton is 8119 Aero Drive. On Friday, January 16, The PAST Show will begin. This year the registration for the show is \$20.00. If you want more information on the show contact Al Bennett at albitron2@cox.net.

I will have copies of the winter issue of TOOLSWAP/USA at the parking lot sale and inside the hotel on Friday.

*****January 30 to Feb 1 takes us to the Ontario Convention Center for the Woodworks 2004 woodworking event (show). Palomar will have a booth. There are plenty of great speakers, etc. Check out their web site at www.woodworksevents.com.

*****Palomar College spring semester woodworking classes begin January 20, 2004. You can still register for some of the courses if interested.

PRESIDENTS MESSAGE

HAPPY NEW YEAR TO ALL!!

I was just reading the February 2004 issue (#139) of *Popular Woodworking* and came across an excellent piece by the Editor and Publisher, Steve Shanesy on page 10. Steve points out that woodworking tends to be a solitary (working alone) activity which all of us enjoy to some extent but getting out of the shop on occasion will go a long way in helping develop one's skills and knowledge of woodworking and reap untold personal rewards. For the coming year, Steve advocates woodworkers : (1) Join a woodworking club of some type (general, woodturning, carving, etc.) to learn new skills and meet new people; (2) Sign up for a woodworking class or attend a woodworking school; (3) Attend a woodworking show.

I could not agree more with his advice and here we are in North County where we have the opportunity to do all three!!!! We have a great woodworking Club! We have Palomar College offering superb woodworking courses and seminars throughout the year!! We have opportunities to attend woodworking shows such as one in Ontario later this month (mentioned elsewhere in this newsletter)!! Who could ask for more! It's a matter of getting out of the shop and doing it!! Your Board of Directors has been meeting the last two months to develop our program and activities for the coming year—and it promises to be an interesting and fun year for all members! Butch Baskins has lined up some really neat stuff for the months ahead!! Read all about it later in the newsletter!!

Soon (April 2004!), we will begin our fourth year as North County Woodworking Club. To give all a better understanding of what we are trying to accomplish as a Club, your Board of Directors recently adopted an “**Azimuth for the Future**” statement. Some would call it a Goals and Objectives statement but I believe it is more a “direction” for us as we continue to mature as a Club. I invite you to read it (below) and solicit your questions and comments at our next meeting.

For us to continue to function properly (and financially) we need members!!! That's why we kicked off our “Every Member Get a Member” campaign last Fall. So I'm counting on each of you to bring in a new member!! Let's make it happen!

We will have our annual, short “State of the Club” presentation at our January meeting per our By Laws (This will be a painless but worthwhile exercise!).

Stay tuned for many good things to come over the next year...in the meantime, welcome back or to the Club, if a new member and...

Good Woodworking!!

See you on Thursday, January 15th!!

Tom Lightner
President

North County Woodworking Club

“Azimuth for the Future”

- **Strive to maintain at least 100 members in our Club.
- **Continuously solicit member input when planning programs and activities.
- **Encourage members with special woodworking expertise/skills to make presentations to the Club membership.
- **Schedule presentations and activities throughout the year so as to accommodate, as much as possible, the skill levels and interests of all members.
- **Encourage family member(s) to attend all meetings and activities.
- **Schedule at least one event annually, such as pot luck supper, picnic, dinner out, etc. for member and family. (Club help defray expense of same.)
- ** Strive to develop a mentoring program to help other woodworkers, including beginners, children, underprivileged, handicapped, etc.
- ** Seek opportunities to support woodworking projects for public schools, medical facilities and charitable organizations
- **Organize woodworking “workshops” hosted by a member in his/her shop to learn particular skills and work on projects of interest.
- **Continue to seek ways to stimulate interest in woodworking and our Club!!

PROGRAMS IN THE COMING MONTHS:

The February 19th program will be held at ToolMart -Escondido. Josh and Mike from ToolMart will tell us about ToolMart and the products they offer and also give tips on power tool maintenance and repair. There will be drawings throughout the evening and the final drawing will be for a Porter Cable 1 3/4 hp model 693 router kit with fixed base and plunge base. You don't want to miss this meeting. **Only club members with 2004 dues paid will be eligible for this drawing. Tickets will be \$1.00 each or 7 for \$5.00. We will begin ticket sales at the January meeting. BRING MONEY, THIS IS A GREAT PRIZE.**

Jigs and fixtures night will be the highlight of our March meeting. So bring you jigs and fixtures and really neat gotta have tools to the meeting and you may walk away with a nice prize.

April will feature Carol Reed and one of the best router programs you will ever attend. Carol, also known as "The Router Lady" will educate us on the router and how to choose the right one. She will also tell us about her new book on routers.

We're working on a lot more programs for 2004 and will keep you posted.

Member News:

Our member Peter Sidlauskas always needs fine wood objects for his Woodcrafter Design Gallery at 135 E. Grand Ave., Escondido. Contracts and other important information can be had by calling him at (760) 741-0124. Even if you have no pieces to show at this time you can be very helpful to your fellow woodworkers by visiting the gallery and encouraging your family and friends to do the same. It is hoped you will be pleased with the gallery and will be proud to show your best work there.

Ray Brooks is now marketing the "Preppin Weapon" sanding block. Member price is \$16.00 including tax or, if you like, you can buy it from the mfg. for \$20.00 plus tax plus shipping. See or call Ray for details. You need this great tool. It will simplify and speed up the awful job of sanding. This tool comes with a lifetime mfg. guarantee.

This section is for members who have news about themselves, other members, or other good stuff they would like to pass on to the rest of the membership. Information to be included in the newsletter should be E-mail'd to Ray Brooks at raybonnie@aol.com at least 2 weeks before the scheduled meeting.

CLUB NAMETAGS:

YOU CAN NOW PURCHASE NCWC NAMETAGS. They are wooden with a pin (see next paragraph) on the back and laser engraving. The cost is \$5.00. If you are interested in purchasing one, send your e-mail to Ray Brooks at raybonnie@aol.com or to Dale Pulver (Keepsake Creators – club approved vendor) at penmaker4u@cox.net. Dale will flawlessly execute his talents and create your own personal NCWC nametag. It will magically arrive at the next meeting (provided Dale has enough time to execute his computer program, turn on the fan, power up the laser, etc.). Those not on E-mail can either call Ray (760-489-7187) or Dale (760-471-6114) to place your order. Please pay Ray Brooks for your order when you pick up your pin.

We now have magnetic holders for the pins. They are \$1.50 from Ray Brooks.

FOR SALE or PURCHASE

FREE to good home!!! 1 X 6 Alaskan Cedar lumber. Rough looking, random lengths and very weathered. Was once a deck along the coast in Oceanside. Cleans up very nice, very silver and very clear. This wood is excellent for rustic frames and/or other small projects.

Call Ken Haines @ 760-432-0563 after 5:00 pm. You need to pick it up at Kens place.

Anyone who has wants or disposals, send them to me and I will distribute the info. Ray

MENTOR PROGRAM

Members interested in assisting other members can participate in the Mentor Program. It is as easy as sending your name, skills, and E-mail address to Ray Brooks. Ray will place your name, skills and e-mail address on a portion of the web page devoted to the Mentor Program. Remember, your name will be “on the web” so only your E-mail address will be made available. Anyone wishing to contact you will have to E-mail with their contact information.

OTHER TIDBITS:

Oh fudge!! Nobody sent me any goodies.

Try this on for size. I would like to make woodworking or related articles, written by our members, available on the web site. Can you write? Do you have a special tidbit that you would willingly pass along to the membership?

Please contact me with your input. I will assist in editing if you provide a starting text. Pictures work **too**.

Refreshments:

Thanks to Butch Baskins for providing drinks and those marvelous goodies each meeting. Please do not forget to donate your change to his coffee can. Butch and his wife donate their time and effort to make the goodies and provide all this at their own expense. Thanks again to our fellow member for his efforts.

Programs:

Butch Baskins, VP and Programs Committee Chair, is always looking for ideas from the membership as to prospective speakers, demonstrations, tours etc. If you have speaker ideas or topic desires, please see Butch at the meeting or contact him via e-mail.

The Next Board Meeting:

The next board meeting will be held at 7:00 pm, Thursday, February 5th in the Joslyn center library. The library is located just inside the main entrance to Joslyn center. Members are welcome to attend any board meeting.
