Thanks for sharing your ideas.

## ***MARK YOUR CALENDAR***

## **VICE-PRESIDENTS MESSAGE**

I just returned from Casper, Wyoming. Please take special note that if you are a woodworker, and you are within the state, it is against the law not to visit Woodworkers Supply. Well, I am, so I did. I mean, who am I to break to the law. They really do have a jammed packed facility.

They also manufacture some of that John Deere colored woodworking equipment, that you see in the back of their catalog, at the Casper location. If they are not too busy they will even give you a tour. The building does not seem that impressive on the outside but when you get into the bowels of the thing it is huge. They stock almost everything in the catalog at the store.

If you are ever in the area and your wife or other non woodworker has something else to do take time to visit Woodworkers Supply, you will be amazed.

Well, I hope you are all having an enjoyable summer. Tom and I are out of town a lot in June and July but we will both be back for the August meetings. Thanks to all who are looking out for the club in our absence.

The slate for club elections will be presented at the July meeting and then voted on at the August meeting.

Thanks to Carvin Guitars for the excellent tour. Everyone was glad to have to opportunity to tour the facility. Special thanks to Rich Kerrell for leading the tour.

Best regards,

Butch Baskins

## **PROGRAMS IN THE COMING MONTHS:**

The programs for August and September have been switched. The August meeting will be on the 21st at the Tassajara Designs, Inc. studio in Carlsbad. Tassajara Designs is the brainchild of Mike Wells, a club member and vendor known by most as One Media Stream. If you would like to see the mother of all woodworking shops this is your chance. If you thought the woodshop at San Marcos High School was cool, you haven't seen anything yet. Mike will also have a vendor or two on hand to demo their products. There will be door prizes and other goodies. Mike will tell us about the studio and how it can benefit you. There will be artisans on hand other than woodworkers to display their creations. This should be a very good program.

The September program will be at the Joslyn Senior Center on September 16, 2004. Larry McDaniel from North County Camera in Escondido will give a very condensed presentation on photographing your woodworking creations. If you have ever wanted to photograph your projects for a brochure or publication this presentation should be very helpful.

The final program of the year will feature board member Ken Haines turning Christmas tree ornaments. This should be a fun night to wrap up the 2004 programs.

## ***Member News:***

Our member Peter Sidlauskas always needs fine wood objects for his Woodcrafter Design Gallery at 135 E. Grand Ave., Escondido. Contracts and other important information can be had by calling him at (760) 741-0124. Even if you have no pieces to show at this time you can be very helpful to your fellow woodworkers by visiting the gallery and encouraging your family and friends to do the same. It is hoped you will be pleased with the gallery and will be proud to show your best work there.

Ray Brooks is now marketing the “Preppin Weapon” sanding block. Member price is \$16.00 including tax or, if you like, you can buy it from the mfg. for \$20.00 plus tax plus shipping. See or call Ray for details. You need this great tool. It will simplify and speed up the awful job of sanding. This tool comes with a lifetime mfg. guarantee.

This section is for members who have news about themselves, other members, or other good stuff they would like to pass on to the rest of the membership. Information to be included in the newsletter should be E-mail'd to Ray Brooks at [raybonnie@aol.com](mailto:raybonnie@aol.com) at least 2 weeks before the scheduled meeting.

## **CLUB NAMETAGS:**

**YOU CAN NOW PURCHASE NCWC NAMETAGS.** They are wooden with a pin (see next paragraph) on the back and laser engraving. The cost is \$5.00. If you are interested in purchasing one, send your e-mail to Ray Brooks at [raybonnie@aol.com](mailto:raybonnie@aol.com) or to Dale Pulver (Keepsake Creators – club approved vendor) at [penmaker4u@cox.net](mailto:penmaker4u@cox.net). Those not on the internet can either call Ray (760-489-7187) or Dale (760-471-6114) to place your order.

We now have magnetic holders for the nametags. They are \$1.50. See Ray Brooks.

Ray will place your name, skills and e-mail address on a portion of the web page devoted to the Mentor Program. Remember, your name will be “on the web” so only your E-mail address will be made available. Anyone wishing to contact you will have to E-mail with their contact information.

## **OTHER TIDBITS:**

Oh fudge!! Nobody sent me any goodies. Try this on for size. I would like to make woodworking or related articles, written by our members, available on the web site. Can you write? Do you have a special tidbit that you would willingly pass along to the membership? Please contact me with your input. I will assist in editing if you provide a starting text. Pictures work too.

## **Refreshments:**

Bill Carpenter has graciously agreed to chair this committee. Thanks Bill.

## **Programs:**

Butch Baskins, VP and Programs Committee Chair, is always looking for ideas from the membership as to prospective speakers, demonstrations, tours etc. If you have speaker ideas or topic desires, please see Butch at the meeting or contact him via e-mail.
