SPEAKER SPEAKER

June 17th is veneer night. There will NOT be a regular meeting. We will start at 7:00 pm and talk veneering. I (me, Ray Brooks) will speak generally about veneer. Dave Neblett will speak about and demonstrate making game tables and show his marquetry techniques and patterns. Bob Howard will demonstrate how he did the birds on this dining room chairs. We will bring vacuum systems and talk about them a bit. We will attempt to answer questions and relate some veneering experiences. I will demonstrate how I excavate for an inlay with the chisel I modified and showed at the last meeting. We will have some veneer available for you to take home and 'play with'.

Remember we only have 2 hours and cannot get too crazy. We will attempt to impart as much information to you as possible. There will be Q & A.

If you have a veneering project you would like to share, please bring it to the meeting.

Here is your first veneering tip: Always flatten the surfaces of your substrate before you glue up your project. Contrary to popular belief, substrate materials are NOT FLAT.

PRESIDENTS MESSAGE

Because I will be out of town when our June Newsletter is to be published, I had started on this message early, about to extol all the great things that had happened in our Club in May, when I received word that Trinna Langdon's husband, Perry, had passed away very suddenly on Sunday, May 23 from an apparent heart attack. He was just 49 years old. Some of you may recall Perry being at our picnic, helping Trinna, lending a hand here and there and chatting with our members. I was truly shocked at this news. I know all of us join in extending our heartfelt sympathy to Trinna and her family.

In fact, Trinna spearheaded our Picnic in the Park in Poway on Saturday, May 15th. Trinna had recommended the site some months ago because of the setting, activities available and the fact she lived near the park and could assure us of a good spot! All of you who attended know it was a great day! Our count was about 67 (hard to count all the kids scampering around)!! We had superb weather in a beautiful park, train rides, farmers market, craft fair and great music provided by some of the best bands I've heard in a long time! Sort of reminiscent of "The Music Man" film and John Phillip Sousa!! The food was terrific, thanks to the hard work of Trinna, Butch and Chip and the delicious side dishes our members brought. If anyone went home hungry, it was their own fault!

A special thanks goes out to Escondido Lumber, Dixieline Lumber, Showcase Moulding, Dulux Paints, North County Tool and Abrasive, D&D Tool and Supply, S&S Dayton Industrial Supply (Casters & Wheels), Rockler, Lane Stanton Vance Lumber, Woodline and Butch Baskins for donating such terrific door prizes. Make sure you thank our vendors next time you're in their store! Karyn and I also provided some toys for the kiddies so they wouldn't be left out. Most important, it was a day to relax with our families and friends and get to know each other better! A "Picnic in the Park in Poway" may just become an annual Club event!

Our monthly meeting on May 20th was also dynamite! We kicked off the meeting with a great display of "Show and Tell" items. Many thanks to Jerry and Kathy Steffen, Bob Howard, Ray Brooks, and Butch Baskins for bringing in their latest creations—jewelry boxes, veneered game boards, starbursts, mariner's compass—and of course, Bob Howard's 8 dining room chairs each with a different marquetry bird set in the back rest, was the highlight! Also a big thanks to Kevin Swanson who brought in a large selection of scrap hardwoods—says he has a continuing source—way to go Kevin! Greg Wease, made my least favorite activity in the shop-sharpening hand tools-highly informative and interesting! Super job, Greg and many thanks for bringing in all your sharpening gear! I just may go invest in some!!

June promises to be a full month as well. Our regular meeting will be at the Carvin Guitar factory with Rich Kerrell as our host on Saturday, June 19th. This was a great event last year so don't miss this one!! Based on the keen interest in veneering displayed at our last meeting, Ray Brooks has decided to conduct a veneering seminar at Joslyn Center on Thursday, June 17th. Look for Ray's e-mails on this subject. Thanks, Ray for taking this on!

I will be on extended travel in June and July attending family weddings and doing some serious Bass and Walleye fishing in Minnesota! I hate to miss out on so much but family duty calls! Butch Baskins will be "in charge" so if you have any questions, needs, etc. give him or Ray Brooks a call!

Meantime, Good Woodworking and I'll see you in August!!

Tom Lightner
President

PROGRAMS IN THE COMING MONTHS:

July: Molly Parks, of Mollywood Productions and Rockler Woodworking will dazzle us with her pen turning talents.

August: Larry from North County Camera will give a talk on photography.

Member News:

Our member Peter Sidlauskas always needs fine wood objects for his Woodcrafter Design Gallery at 135 E. Grand Ave., Escondido. Contracts and other important information can be had by calling him at (760) 741-0124. Even if you have no pieces to show at this time you can be very helpful to your fellow woodworkers by visiting the gallery and encouraging your family and friends to do the same. It is hoped you will be pleased with the gallery and will be proud to show your best work there.

Ray Brooks is now marketing the "Preppin Weapon" sanding block. Member price is \$16.00 including tax or, if you like, you can buy it from the mfg. for \$20.00 plus tax plus shipping. See or call Ray for details. You need this great tool. It will simplify and speed up the awful job of sanding. This tool comes with a lifetime mfg. guarantee.

This section is for members who have news about themselves, other members, or other good stuff they would like to pass on to the rest of the membership. Information to be included in the newsletter should be E-mail'd to Ray Brooks at raybonnie@aol.com at least 2 weeks before the scheduled meeting.

CLUB NAMETAGS:

YOU CAN NOW PURCHASE NCWC NAMETAGS. They are wooden with a pin (see next paragraph) on the back and laser engraving. The cost is \$5.00. If you are interested in purchasing one, send your e-mail to Ray Brooks at raybonnie@aol.com or to Dale Pulver (Keepsake Creators – club approved vendor) at penmaker4u@cox.net. Those not on the internet can either call Ray (760-489-7187) or Dale (760-471-6114) to place your order.

We now have magnetic holders for the nametags. They are \$1.50 from Ray Brooks.

FOR SALE or PURCHASE

Anyone who has wants or disposals, send them to me and I will distribute the info. Ray

VENDOR NEWS AND INFORMATION

Nothing new this month.

MENTOR PROGRAM

Members interested in assisting other members can participate in the Mentor Program. It is as easy as sending your name, skills, and E-mail address to Ray Brooks. Ray will place your name, skills and e-mail address on a portion of the web page devoted to the Mentor Program. Remember, your name will be “on the web” so only your E-mail address will be made available. Anyone wishing to contact you will have to E-mail with their contact information.

OTHER TIDBITS:

Oh fudge!! Nobody sent me any goodies. Try this on for size. I would like to make woodworking or related articles, written by our members, available on the web site. Can you write? Do you have a special tidbit that you would willingly pass along to the membership? Please contact me with your input. I will assist in editing if you provide a starting text. Pictures work too.

Refreshments:

Bill Carpenter has graciously agreed to chair this committee. Thanks Bill.

Programs:

Butch Baskins, VP and Programs Committee Chair, is always looking for ideas from the membership as to prospective speakers, demonstrations, tours etc. If you have speaker ideas or topic desires, please see Butch at the meeting or contact him via e-mail.

The Next Board Meeting:

There will not be a board meeting in July.
