PRESIDENTS MESSAGE

Well here we are with 2006 half gone. The San Diego County Fair passed rather quickly, but I was able to attend last Sunday morning and as usual the Design in Wood and Palomar College displays did not disappoint. The craftsmanship on display at these two venues is truly incredible.

When I go to the fair I spend 90% of my time at these two locations while my wife is visiting all of the vendors. I did buy a wall mounted Plano panel clamping system that I am anxious to use. I hope it gets more use than the other clamping kit I bought last year that's still in the box.

Many of our members had projects on display at the Fair and I really hope they bring them to our August 17th club meeting to show off. We are having our first Show and Share Night with club members encouraged to bring their Fair pieces and any other projects to show. We invite members to bring a pie to share and the club will furnish the plates, utensils and ice cream. I think it will be a lot of fun and enable members to get to know each other a little better.

The October meeting will feature Russ Fillbeck on finishing. We will hold the end of the year Members Only Raffle at the end of the meeting with Russ drawing the winning tickets for four big items this year not just one. We will start selling tickets at the August meeting and in order to buy tickets you will have to show your 2007 membership card. Tickets will be \$1.00 ea. \$5.00

for seven and \$10.00 for fifteen. If you won't be present at the October meeting put your name and telephone # on the back and if your ticket is drawn you win. We will announce what the prizes are in the August newsletter. There will be four winning tickets.

Dave Neblett the Program Chairman for 2007 has already lined up 3 great programs for 2007. They include guitar and violin making and hand cut joinery just to name a few. With the contacts Dave has at Palomar College and San Diego Fine Woodworkers I'm anticipating some excellent programs in the future. Dave was instrumental in lining up Susan Spray the canoe builder this year and also Tom Thornton box maker extraordinaire.

NOTICE NOTICE NOTICE NOTICE

The Board of Directors has instructed me to notify the membership that they would like to change the by laws to allow the officers to serve more than two consecutive years in the same office. In order to change the by laws we have to notify the membership 10 days in advance of the meeting where the vote will be made. I will make this announcement at the July meeting on the 20th and then again in the August newsletter and then the membership will vote on the change at the August meeting.

We will also hold the club election in August and I will present a slate of officers at the July meeting and call for nominations from the floor. If you would like to nominate someone you have to be at these two meetings.

I look forward to seeing all of you at the meeting so be sure and use those safety glasses and push sticks.

Butch Baskins, President

This Month's Program

Our program for the July meeting will feature Phil Goettsch.

Phil has been a "collector" dating back to 1959. He has collected coins, oil paintings, water colors, wood block prints, California hand decorated dinnerware, furniture and tools.

Phil became a licensed contractor in 1980 and retired from that in 1997. He enrolled at Palomar College in 1998 and is currently a classified employee/teacher's assistant.

He started collecting woodworking tools to use for his furniture collection. During this time he collected power tools (joiners, shapers, lathes, etc). He had been a member of P.A.S.T. since 1997 which has helped him to build his hand plane collection.

Phil says that the key to successful collecting is education, books, magazines and sales catalogues. The second important key is an understanding spouse that recognizes your addiction and is able to live with it and you both.

Phil will be giving away some of his recent acquisitions.

Fred Gross, Vice President and Program Chair

Upcoming Programs

The August 17th meeting is going to be something really different for the club and I think that it will prove to be a lot of fun. We are going to have a Show and Pie Night. Members will bring in a completed piece of wood work and a pie to share – ice cream, plates, napkins and utensils will be provided by the club. I suggest that you either don't eat dinner or eat a light dinner about 4:00 o'clock or so, unless you don't like pie and ice cream.

The September 21st meeting will be a shop safety meeting with guest speaker Yale Kadeski M.D. More on that at a later date.

The October meeting will feature Russ Filbeck talking about Chair Making. Hopefully Russ will have some of his new books there for sale.

Fred Gross, Vice President and Program Chair
