PRESIDENT'S MESSAGE

I have come to the realization over the past seven or so years that woodworking as a hobby is terrific, but when you are trying to make a living at this it can be a pain in the... but you don't want to hear about that. As woodworkers we all want to do high quality work that we can be proud of. Unfortunately sometimes it's hard to find customers who want to pay for that sort of quality.

Speaking of high quality, we have our own member, Von Lindsey, giving a talk at our upcoming meeting! By the way, don't forget we will also be doing our first raffle of the year at this meeting with a Bosch router and a few other prizes.

Be sure to use those guards, splitters, push sticks, safety glasses, hearing protection and dust masks!

Joe Dusel, President

This Month's Program

This month's meeting will feature our own talented member Von Lindsey talking about carving. Bob Fisher was out trying to round up some talent for our meeting and asked the folks at the carving club if they could suggest a speaker for us. Of course they recommended Von! Von told me he's going to be talking about how wood carving is done, different kinds of wood used, carving tools, sharpening carving tools and of course safety. This sounds like 12 weeks of classes packed into an hour! Another meeting you don't want to miss!

Joe Dusel

Upcoming Meetings

Bob Fisher is working hard putting together the list of upcoming club programs and speakers for 2009. We will update you on this in the next newsletter.

We need your help! Please let us know what sort of programs you like best and help us with ideas for next year's programs. We want next year's meetings to be the best ever!

Bob Fisher, Program Director

NCWC Picnic!!!

Okay guys and girls, we are starting to get the ball rolling for the annual NCWC picnic, but we need help! We need to have a coordinator for this fabulous event. This year it looks like we will be having the picnic in Escondido, at Kit Carson Park. This year it will be the second Saturday of June, on the 13th. Bob Fisher is planning to be the chef for the event with the help of his wife Carol. If you would be interested in helping please talk to any of the board members.

SPECIAL PROJECTS 2009

We are looking at having some very interesting tours this Spring. One of the places we have talked to is San Diego Kitchens and Baths who have generously volunteered to give us a tour. Bob is still working on this tour. I think that he will need to discuss it with the owner over a nice glass of wine.

Bob Fisher has talked to the folks at Taylor Guitar about a factory tour. It looks like the tour will be on August 13th. We will send out an email to sign up. For our club they will have the tour from 10 AM until 11 AM, and we can have up to 24 people. As I understand it, Taylor normally does the tours Monday through Thursday, and they usually start at 1:00 PM. The regular tours are first come first serve and limited to 8 people.

I'm still looking for shops to add to our tour schedule so let me know if you would like to have one in your shop. If you would like to show off your shop e-mail me at BNCFisher@sbcglobal.net. **Bob Fisher, Special Projects Chairman**

OTHER TIDBITS:

Joe Dusel's blog site www.cft411.com is one year old! The web site is collaboration between Joe Freenor who is a woodworker and a repressed novelist, and Joe Dusel who is working out the technical details of getting this site running smoothly. Check it out and let us know what you think. We have featured the work of a number of San Diego artisans such as Craig Thibodeau.

The Next Board Meeting:

The next Board meeting will be held at 7:00 pm, Thursday May 7th in the Joslyn Senior Center Library. Members are encouraged to attend any board meeting. We do occasionally have the

board meetings at other locations, so if you plan on attending you should probably contact Roni Elsberry first. Pie and cake are always welcome!

Thanks to the efforts of Bob Fisher, Tom Lightner, Bert Elliot and some other club members, we have lots of great Approved Vendors for our club. Please frequent these vendors when you can and **Show your NCWC membership card and request your discount.** From time to time you may see one of their representatives at our meetings (Check our web site for the current list of vendors).

Bert has been working hard talking to a number of our vendors. Bert tells us that Altura Paint in Vista is interested in doing a craft fair with our members. Altura is currently talking to the Vista city officials about this and it's likely to be the same day as a hot rod show. We will give you more information as we get it.

We hope to see you at the meeting. Remember that we meet on the third Thursday of each month except November and December.

To those of you who were e-mailed this notice, should you desire to have your name removed from our list or if you received this in error, please respond to Roni Elsberry with your request and we'll take you off the list. If you are changing your email address please let us know.

If you are not on the E-mail list and wish to save the club some money, please send me your E-mail address and we'll switch you.

For those members who wish contact information for another member, please email the secretary. The secretary will contact the member to get permission prior to giving their info to the requesting party.
