### **PRESIDENT'S MESSAGE**

Well, thanks to the dedication and hard work of the usual suspects – Jerry Moors, Roni Elsberry, Duane Anderson, Steve Alwardt and Brian Magone – we had another great club picnic last month. There were lots of great prizes, and the club even bought the main dish for all the members that attended. I myself was the lucky winner of a very nice hand saw. If you have not attended any of the picnics they really are nice.

Since a lot of our members could not attend we still have a number of prizes left from the picnic, and we will have these as door prizes in the coming meetings for current club members.

By the way, in case you had not heard, in addition to Saroyan and Lane Stanton, we now have a third hardwood and sheet material vendor in San Marcos. All three of these great vendors are supporters of NCWC and we now have a better than ever selection of materials to work with! See our Approved Vendor section of this newsletter.

This month we will have Palomar instructor Bill Cox giving us a presentation on making specialty moldings using a router and jigs. It's also time for our club elections!

**Joe Dusel, President**

## **This Month's Program**

This month we will have Palomar instructor Bill Cox giving us a presentation on making specialty scroll moldings for furniture (like grand-father clocks) using a router and jigs.

For the plans please visit our web site for [Bill Cox's Molding Jig](#) in the Resources section.

It should be another great meeting!

**Joe Dusel**

## **NCWC Picnic!!!**

As I mentioned, if you were not there you missed a great time. Here are a few pix from this year's event.

### Upcoming Meetings

We are working hard putting together the list of upcoming club programs and speakers for 2010. We need your help! Please let us know what sort of programs you like best and help us with ideas for next year's programs. We want this year's meetings to be the best ever!

**We Currently Have 77 Members!**

So why do our membership numbers bounce around like they do? Well, we only count our members whose dues are current. So, stand up and be counted! We also need your current email if you want to get any club notices.

### **NCWC MEMBERSHIP !!!**

The annual dues of \$30.00 are collected at the club meetings or you can mail them to Ray Brooks at the Club Post Office Box. Year 2010 dues can be paid anytime.

Remember, only paid members may participate in the fabulous raffles, plus the longer you wait to renew your membership, the less time you have to take advantage of the great offers and discounts from our vendors.

Attendees should bring in projects and present them with a short 2-minute talk. More time can be devoted to questions about your projects at the end of the meeting. Thanks for sharing your ideas!

Thanks to the efforts of Bob Fisher, Tom Lightner, Bert Elliot, Brian Magone and some other club members, we have lots of great Approved Vendors for our club. Please frequent these vendors when you can and **Show your NCWC membership card and request your discount.** From time to time you may see one of their representatives at our meetings (Check our web site for the current list of vendors).

We hope to see you at the meeting. Remember that we meet on the third Thursday of each month except November and December.

To those of you who were e-mailed this notice, should you desire to have your name removed from our list or if you received this in error, please respond to Roni Elsberry with your request and we'll take you off the list. If you are changing your email address please let us know.
